Exchange of Information on Request

Schedule of Second Reviews 2016-2023

Last update: May 2020

The initial Schedule of Round 2 Reviews on the implementation of the standard of transparency and exchange of information on request (EOIR) was adopted by the Global Forum in October 2015. The Schedule requires adjustments from time to time to take account of circumstances as they arise. The present note includes the latest amendments made in May 2020 to take account of the COVID crisis.

The present Schedule of Reviews indicates the quarter during which the Round 2 review of each jurisdiction will start. The review process lasts for about one year. Review reports are discussed and approved by the Peer Review Group, and are finally adopted by all Global Forum members.
