  - EU Institutions 70,516

TRADE PROGRAMME INDICATORS

- Priority 1
  - More than one priority selected (Trade facilitation, Competitiveness and Network infrastructure). Refer to questionnaire response for country-specific information.
- Priority 2
  - More than one priority selected (Value chains, Export diversification and Other transport). Refer to questionnaire response for country-specific information.
- Priority 3
  - More than one priority selected (Trade policy analysis, negotiations and implementation, Adjustment costs and Regional integration). Refer to questionnaire response for country-specific information.

TRADE MAINSTREAMING

- Aid-for-trade priorities remain unchanged.

Aid is partly mainstreamed in the national development plan and addressed in the annual budget, various sectoral strategies and a cross-sectoral strategy.

The EIF focal point and committee are involved in overseeing the trade agenda. It is too early to assess whether the EIF is having an impact on the ability to mainstream trade in the national development plan.

TRADE POLICY INDICATORS (2007)

- Restrictiveness of imports
- Restrictiveness of exports

PRIORITY 1

More than one priority selected (Trade facilitation, Competitiveness and Network infrastructure). Refer to questionnaire response for country-specific information.

PRIORITY 2

More than one priority selected (Value chains, Export diversification and Other transport). Refer to questionnaire response for country-specific information.

PRIORITY 3

More than one priority selected (Trade policy analysis, negotiations and implementation, Adjustment costs and Regional integration). Refer to questionnaire response for country-specific information.
