Objectives	Achievement of workshop objectives (Please Tick "√")				Total
	Very Good	Good	Poor	Very Poor	
<b>1. Launch the evaluations: how to get started, manage the evaluation, and select and contract teams</b>	11	6			17
%	65	35	0	0	100
Any further comments:	1. Clearer guidance ('run-through') needed on the contracting process to make sure we get 'quality' teams 2. It's a challenge to ensure independence of the evaluation process 3. Quite very interactive 4. In the end, there was not enough time for this 5. Is this the same as Question 3 because we didn't launch any 6. Now I am more knowledgeable on PD process				
<b>2. Agree and/ or propose refinements to the Generic Terms of Reference for Country Evaluations and the common Evaluation Matrix</b>	13	5			18
%	72	28	0	0	100
Any further comments:	1. To see which refinements get through to Paris 2. Issues should be shared way in advance 3. A very useful tool/guide for efficiency 4. We need to get the clarifications on qualifications for the consultants				
<b>3. Launch the Systems to support individual evaluations and to share progress and lessons between evaluation teams</b>	10	8			18
%	56	44	0	0	100
Any further comments:					
<b>4. Be ready to participate in the international Reference Group by 1 December to finalize Generic ToRs</b>	11	7	0	0	18
%	61	39	0	0	100
Any further comments:	1. Good - not clear if any criteria on who should attend from country level 2. To share information is very important to this process 3. It was very informative and educative 4. Very useful and productive workshop
