

## Draft agenda for the 8<sup>th</sup> meeting of the International TOSSD Task Force Ottawa, Canada, 4-5 June 2019

**4 June 2019**

### **9h00 Introduction and welcome**

The co-Chairs will welcome the participants and outline the objectives of the meeting. The main objective is to complete the first full set of TOSSD Reporting Instructions, so that they can be attached to the proposal to be submitted to the Inter Agency and Expert Group on SDG Indicators (IAEG-SDGs) during the open consultation in July-August 2019.

### **9h15 Item 1. Reporting Instructions for TOSSD Pillar II**

The Task Force will be invited to review and validate instructions relating to TOSSD Pillar II on global and regional expenditures in support of development enablers, International Public Goods and to address global challenges. The Secretariat will first make a presentation on Pillar II activities reported in the TOSSD Data Survey and any feedback received from the respondents on the scope or eligibility criteria. It will then present draft text on Pillar II for the relevant sections of the Reporting Instructions.

### **11h Coffee**

### **11h30 Item 2. Peace and security**

The Secretariat will present the outcomes and recommendations arising from the thematic TOSSD pilot study on peace and security, including the expert meeting held in February and consultations with a number of multilateral organisations active in the area of peace and security as well as a bilateral provider. The Task Force will be invited to discuss the boundaries and safeguards of TOSSD in this area and how they should be integrated in the Reporting Instructions.

*Recommendations arising from the thematic TOSSD pilot on peace and security*

### **13h Lunch**

### **14h30 Item 3. Climate change**

Information on actions to combat climate change and its impacts will be collected in TOSSD through the “SDG focus field”. The Secretariat will present a note examining the relationship between this information and the established reporting systems for climate finance and climate-related development finance. The note will also discuss the eligibility criteria for the inclusion of climate-related support in TOSSD Pillar II. The Task Force will be invited to comment on the analysis and the appropriateness of devising specific eligibility criteria for Pillar II in the area of climate change.

### **16h Coffee**

## 16h30 Item 4. Research

The Task Force has discussed the treatment of research activities in TOSSD at its 6<sup>th</sup> and 7<sup>th</sup> meetings. It has concluded that: i) research, or support for “science, technology and innovation (STI)” (term used by the UN) in TOSSD-eligible countries will be included in Pillar I and do not raise any particular issues; and ii) other research activities would be eligible only if they convey substantial benefits to, and/or are implemented in collaboration with, TOSSD-eligible countries or their institutions. The Task Force has further agreed that basic research could in principle be included in TOSSD, but that more discussions are required on this topic. The Secretariat will present an analysis of the research activities reported in the TOSSD Data Survey. The Task Force will be invited to review and agree on additional text for the Pillar II Reporting Instructions in this area.

## 18h Meeting adjourns

## 19h Social event

5 June 2019

## 9h00 Item 5. Results of country pilot studies

Since the last Task Force meeting, the report on the Costa Rica pilot has been finalised and another pilot in Burkina Faso has been carried out. In this session a representative of Burkina Faso will first present the country’s perspective on TOSSD. The Task Force will then be invited to consider the recommendations on TOSSD Reporting Instructions arising from the Burkina Faso and Costa Rica pilot studies. In particular, both pilots suggested that contributing to achieving one SDG target does not seem to be a sufficient eligibility criterion for inclusion in TOSSD; there should also be assurance that activities have no adverse impacts on other targets.

## 11h30 Item 6. Clarification of the TOSSD data cycle and data transmission tools

The Task Force will be invited to review and agree on draft text for Chapter 4.1 – Reporting cycle and data collection and Annex A – Data collection and tools of the TOSSD Reporting Instructions. Under this agenda item, the Secretariat will also inform the Task Force of the recent discussions with representatives of the International Aid Transparency Initiative (IATI) and the experience gained during the TOSSD Data Survey on using IATI files in xml language to pre-fill TOSSD data forms. The Task Force will be invited to discuss possible synergies between TOSSD and IATI and how these could be conveyed to the upcoming IATI members’ assembly.

*Documentation: Issues paper*

## 13h Lunch: Demonstration of the “EU Explorer”

The European Union will give a demonstration of its new tool for accessing data on development cooperation by the EU and its member states. This new tool may serve as an inspiration for developing the TOSSD visualisation tool.

### **14h30 Item 7. Update on the Data Survey**

The Task Force will be invited to review the preliminary results of the TOSSD Data Survey: participation, TOSSD figures on Pillars I and II and feedback from reporters on areas in the Reporting Instructions that may need fine tuning. The Task Force will also discuss the presentation of the Survey results in i) the proposal to be submitted to the IAEG-SDGs; and ii) communications around important UN meetings on SDG follow-up in July (High-Level Political Forum) and September (UNGA) 2019.

*Documentation: Issues paper*

### **15h30 Item 8. Updated Terms of Reference of the Task Force**

The Task Force approved its revised terms of reference on 1 February 2019, except for the chairing/co-chairing arrangements, which were to be further discussed. In addition to this aspect, the Task Force will be invited to take stock of ongoing efforts to broaden the membership of the Task Force and the organisation of the Task Force meetings in the second semester of 2019.

## **16h Coffee**

### **16h30 Item 9. Recent and upcoming outreach events**

The Task Force co-Chairs and members will report on the discussions and side-events on TOSSD held during BAPA+40 Conference (Buenos Aires, March 2019), the meeting of the UN Statistical Commission (New York, March 2019) and the Financing for Development Forum (New York, April 2019). Discussion will be invited on the roles for each TF member for the upcoming outreach events, namely the High-Level Political Forum and the UNGA High-Level Dialogue.

This agenda item will also cover the upcoming proposal to the IAEG-SDGs to include TOSSD in the global SDG indicator framework. The UN Statistical Commission took note of the suggestion for the IAEG-SDGs to consider TOSSD during the comprehensive review in July/August 2019. The OECD, as a co-custodian agency of indicator 17.3.1 “Foreign direct investment (FDI), official development assistance and South-South cooperation as a proportion of total domestic budget” indicated at the IAEG-SDGs meeting end March that it would make a proposal to replace this indicator by TOSSD.
