

## PRIVATE SECTOR PEER LEARNING

### Peer Inventory 2: DAC Member Evaluations of Private Sector Engagements

# Existing, Ongoing and Planned Evaluations of Private Sector Engagements, as of July 2016

Country	Evaluation name	Publication year/Status	Description	Link
Australia	Private Sector Development and Operations: Harnessing Synergies with the Public Sector	2007	This evaluation reviews trends in foreign direct investment and reviews the Asian Development Bank's strategic response to the developments and results detailed in previous country, sector and project evaluations.	<a href="http://www.oecd.org/derec/adb/39519572.pdf">www.oecd.org/derec/adb/39519572.pdf</a>
Austria	Evaluation: Private Sector Development of the Austrian Development Cooperation  Evaluation of the Instruments of Business Partnership Programmes	2013  2009	This strategic evaluation of private sector development was carried out on behalf of the Austrian Development Agency. It focuses mainly on projects implemented by the agency, but also reviews linkages to projects by other organisations involved in Austria's official development assistance.  This report is a summary of an evaluation of the Business/Development Partnership Program conducted between March and December 2008 by the Global Public Policy Institute.	<a href="http://www.oecd.org/derec/austria/Evaluation_private_sector_final_report_01.pdf">www.oecd.org/derec/austria/Evaluation_private_sector_final_report_01.pdf</a>  <a href="http://www.oecd.org/derec/austria/47721718.pdf">www.oecd.org/derec/austria/47721718.pdf</a>
Belgium	Evaluation of the Collaboration of the Austrian Development Cooperation with the Private Sector  Évaluation de la Société belge d'Investissement pour les Pays en Développement (BIO) – Phase 1	Ongoing (expected in 2015)  2012	This evaluation will be available on the Austrian Development Agency's "Evaluation Reports" web page.  This is an evaluation of the Belgian Investment Company for Developing Countries (BIO). The document is in French.	<a href="http://www.entwicklung.at/en/ada/evaluation/evaluation-reports">www.entwicklung.at/en/ada/evaluation/evaluation-reports</a>  <a href="http://www.oecd.org/derec/belgium/rapport_final_bio_phase1_tom313-214080.pdf">www.oecd.org/derec/belgium/rapport_final_bio_phase1_tom313-214080.pdf</a>
Canada	Canada Investment Fund for Africa Mid-Term Review 2005-2008  Executive Report On the Evaluation of the CIDA Industrial Cooperation (CIDA-INC) Program	2012  2007	This mid-term evaluation confirms that the Canada Investment Fund for Africa was visionary and relevant. The key lesson to emerge, however, indicates difficulties between the cultures and capacities for oversight of partners and development objectives abroad.  This is an evaluation of the Industrial Cooperation Program. The goal of the evaluation is to provide a neutral and evidence-based assessment of the relevance and performance of the programme and progress made.	<a href="http://www.acdi-cida.gc.ca/INET/IMAGES.NSF/vLImages/Evaluations2/\$file/CIFA-eng.pdf">www.acdi-cida.gc.ca/INET/IMAGES.NSF/vLImages/Evaluations2/\$file/CIFA-eng.pdf</a>  <a href="http://www.oecd.org/derec/canada/CIDA-Industrial-Cooperation-Program.pdf">www.oecd.org/derec/canada/CIDA-Industrial-Cooperation-Program.pdf</a>

Country	Evaluation name	Publication year/Status	Description	Link
	Evaluation of the Business Sector Advocacy Challenge Fund Ghana	2014	The evaluation examines the Business Sector Advocacy Challenge Fund at two levels: level 1 focuses on the functioning of the grant facility and level 2 looks at the performance of individual funded projects. It develops an understanding of the intervention logic – theory of change – at the facility and funded project levels as key intermediate steps.	<a href="http://www.oecd.org/derec/denmark/Evaluation-of-the-Business-Sector-Advocacy-Challenge-Fund-Ghana.pdf">www.oecd.org/derec/denmark/Evaluation-of-the-Business-Sector-Advocacy-Challenge-Fund-Ghana.pdf</a>
Denmark	Evaluation of Danida Business-to-Business Programme 2006-2011	2014	This is a synthesis report on the evaluation of the Danish International Development Agency's (Danida) Business-to-Business (B2B) Programme, which provides grant support to 445 partnerships that involve Danish companies in 19 countries. It uses quantitative and qualitative research methods – desk work, interviews with Danish stakeholders, and fieldwork in Bangladesh and Uganda.	<a href="http://www.oecd.org/derec/denmark/Danida-Business-to-Business-Programme-2006-2011%20.pdf">www.oecd.org/derec/denmark/Danida-Business-to-Business-Programme-2006-2011%20.pdf</a>
	Evaluation of Danida Business-to-Business Programme 2006-2011; Bangladesh and Uganda Country Reports	2014	Evaluations of Danida's B2B Programmes in Bangladesh and Uganda. Based on fieldwork and desk work, the evaluations are part of the broader evaluation of Danida's B2B Programme during the 2006-11 period. (The link will open a web page for the B2B evaluations, where country-specific reports are available for download.)	<a href="http://um.dk/en/danida-en/results/eval/Eval_reports/evaluations/publicationdisplaypage/?publicationID=ACCB665-4946-4842-ABF7-43B60DE2524D">http://um.dk/en/danida-en/results/eval/Eval_reports/evaluations/publicationdisplaypage/?publicationID=ACCB665-4946-4842-ABF7-43B60DE2524D</a>
	Evaluation of Value Chain Approaches Effects on Growth and Employment	Ongoing (was expected in 2015)		
	Evaluation of the European Union's Support to Private Sector Development in Third Countries	2013	This evaluation by the European Commission assesses the European Union's support to private sector development during the 2004-10 period, when a total of EUR 2.4 billion in funding was directly contracted by the Commission. It aims to provide an independent assessment of the European Union's past and current co-operation for private sector development and identify key lessons with a view to improve its strategies and programmes.	<a href="http://ec.europa.eu/europeaid/how/evaluation/evaluation_reports/reports/2013/1317_vol1_en.pdf">http://ec.europa.eu/europeaid/how/evaluation/evaluation_reports/reports/2013/1317_vol1_en.pdf</a>
European Union	Thematic Global Evaluation of European Commission Support in the Sectors of ESI (Employment And Social Inclusion) in Partner Countries (Including Vocational Training)	2011	This evaluation assesses the extent to which the European Commission sustained relevant and efficient development support at various levels of employment and social inclusion to eradicate poverty and achieve social cohesion in partner countries during the 1999-2008 period. It focuses primarily on employability and social inclusion in the labour market. It uses analytical tools such as a study of all available relevant documentation, a worldwide survey, a study of twenty countries and field missions to six countries.	<a href="http://www.oecd.org/derec/49446503.pdf">www.oecd.org/derec/49446503.pdf</a>
	Meta-evaluation on Private Sector and Trade	Planned		

Country	Evaluation name	Publication year/Status	Description	Link
Finland	Real-Time Evaluation of BEAM Development Innovation Programme	To be launched	The aim of Tekes and the Ministry for Foreign Affairs' joint programme BEAM – Business with Impact is to generate new, sustainable business in developing countries. BEAM assists Finnish enterprises and other actors in using innovations to address global development challenges by converting such innovations into successful and sustainable business in both Finland and developing countries.	<a href="http://www.tekes.fi/en/programmes/beam--business-with-impact/tekes-programmes/beam--business-with-impact/">www.tekes.fi/en/programmes/beam--business-with-impact/tekes-programmes/beam--business-with-impact/</a>
France	Méta-évaluation des projets « lignes de crédit »	2012	The "Meta-evaluation of projects: Lines of credit" is eight retrospective evaluations conducted from 1996 to 2009 on 14 French Development Agency credit lines granted to partners in South Africa, Tunisia, Turkey and Viet Nam. This document is in French.	<a href="http://www.oecd.org/derec/49710932.pdf">www.oecd.org/derec/49710932.pdf</a>
	Évaluation d'impact programme de mise à niveau des entreprises (Sénégal)	Ongoing		
	Dispositif de garanties en faveur des PME africaines Financements non souverains (synthèse d'évaluations)	To be launched To be launched		
Germany	EZ-Scout Programme	2016	This Federal Ministry for Economic Cooperation and Development (BMZ) evaluation of the EZ-Scouts programme identifies strengths and recommendations for the substantive development of its second phase. This document is in German.	<a href="http://www.bmz.de/mediathek/publikationen/reihen/strategiepapiere/Strategiepapier_EvalBericht_065_364_2016.pdf">www.bmz.de/mediathek/publikationen/reihen/strategiepapiere/Strategiepapier_EvalBericht_065_364_2016.pdf</a>
	We Shape Development: Development Effects of DEG Commitments 2015	2016	Evaluation of investments co-financed by the German Investment and Development Corporation (DEG) and their sustained beneficial impacts in developing countries. Emphasis is placed on companies that are successful in the long term and on value-added investments that make an impact, such as job creation, producing renewable energy and contribution to national income.	<a href="http://www.deginvest.de/DEG-Documents-in-English/About-us/What-is-our-impact/Development_Report_2015_EN.pdf">www.deginvest.de/DEG-Documents-in-English/About-us/What-is-our-impact/Development_Report_2015_EN.pdf</a>
	Measuring Results, Contributing to Results: Findings and Conclusions from Monitoring and Evaluation 2012-2014	2015	This publication provides a comprehensive summary of GIZ's monitoring and evaluation. It includes findings for 2012-14, an assessment of performance from 2006, reviews of specific sectors, and a methodological discussion.	<a href="http://www.giz.de/de/downloads/giz2016-en-en-monitoring.pdf">www.giz.de/de/downloads/giz2016-en-en-monitoring.pdf</a>
	Evaluation of the Effectiveness of EDFI Support to SME Development through Financial Institutions in Africa	2014	The evaluation examines the Association of European Development Finance Institutions' commitments at six finance institutions in sub-Saharan Africa that provide financing for small and medium-sized enterprises. The study spans effects for the finance institutions, such as changes in credit allocation, to impacts on their customers.	<a href="http://www.deginvest.de/DEG-Documents-in-English/About-DEG/What-is-our-impact/14-06-02-Evaluation-of-EDFI-support-to-SMEs-through-FIs.pdf">www.deginvest.de/DEG-Documents-in-English/About-DEG/What-is-our-impact/14-06-02-Evaluation-of-EDFI-support-to-SMEs-through-FIs.pdf</a>

Country	Evaluation name	Publication year/Status	Description	Link
Germany <i>(continued)</i>	Evaluation of Selected DEG Energy Sector Projects in Asia	2012	This evaluation examines the impacts that DEG's commitments have on energy efficiency and the shift to renewable energy. It analyses which effects – particularly looking at indirect effects – can be achieved through energy provision.	<a href="http://www.deginvest.de/DEG-Englische-Dokumente/About-DEG/Our-Mandate/Evaluation-of-selected-DEG-Energy-Sector-Projects-in-Asia.pdf">www.deginvest.de/DEG-Englische-Dokumente/About-DEG/Our-Mandate/Evaluation-of-selected-DEG-Energy-Sector-Projects-in-Asia.pdf</a>
	Evaluation Regarding Corporate Social Responsibility of DEG Financing Projects	2008	An independent evaluation of 16 companies in 14 countries on whether companies receiving DEG financing live up to expectations of corporate social responsibility (based on future ISO 26000 guidelines).	<a href="http://www.deginvest.de/DEG-Englische-Dokumente/About-DEG/Our-Mandate/CSR-Evaluation_Summary.pdf">www.deginvest.de/DEG-Englische-Dokumente/About-DEG/Our-Mandate/CSR-Evaluation_Summary.pdf</a>
Ireland	Evaluation of Traidlinks	2008	An evaluation of Traidlinks – an entity established with Irish Aid support in 2006 – and its work on facilitating links between the Irish private sector and companies in African countries.	<a href="http://www.oecd.org/countries/uganda/Traidlinks%20evaluation.pdf">www.oecd.org/countries/uganda/Traidlinks%20evaluation.pdf</a>
	CHYAO TF in Sierra Leone	2013	The evaluation of the Children and Youth in Africa Trust Fund covers four projects in Sierra Leone and follows Development Assistance Committee parameters for relevance, efficiency, effectiveness, impact, sustainability, coherence and value added. Horizontal issues have also been taken into consideration, such as good governance, gender and environmental issues.	<a href="http://www.oecd.org/derec/italy/Evaluation-of-the-Children-and-Youth-in-Africa-Trust-Fund-Sierra%20Leone.pdf">www.oecd.org/derec/italy/Evaluation-of-the-Children-and-Youth-in-Africa-Trust-Fund-Sierra%20Leone.pdf</a>
Italy	Evaluation of Credit Lines to Support SMEs in Tunisia, Egypt and Palestine	2013	This independent evaluation assesses three Italian Development Cooperation credit line projects for small and medium-sized businesses in Tunisia, Egypt and Palestine. It provides general insights on the use of aid credit as a means for development co-operation.	<a href="http://www.oecd.org/derec/italy/Evaluation-of-Credit-Lines-to-Support-SMEs-in-Tunisia-Egypt-and-Palestine.pdf">www.oecd.org/derec/italy/Evaluation-of-Credit-Lines-to-Support-SMEs-in-Tunisia-Egypt-and-Palestine.pdf</a>
	EBRD – Italy Western Balkans Local Enterprise Facility (LEF) (Western Balkans)	2012	This evaluation mainly considers LEF implementation – a framework operation intended to increase support for smaller private sector projects – in the Western Balkans. It provides insights to strengthen operational outcomes and institutional performance. It uses innovative and robust evaluation methods to consider higher-level issues and generate more widely applicable findings.	<a href="http://www.oecd.org/derec/ebird/EBRD_Italy%20Western%20Balkans%20Local%20Enterprise%20Facility_LEF.pdf">www.oecd.org/derec/ebird/EBRD_Italy%20Western%20Balkans%20Local%20Enterprise%20Facility_LEF.pdf</a>
Luxembourg	Evaluation of Emergency.lu Project	Planned	An evaluation of emergency.lu, a public-private partnership that provides a platform of satellite and communication infrastructure and services that fills the communication gap in the first 20 hours after a large-scale disaster.	<a href="http://www.emergency.lu">www.emergency.lu</a>

Country	Evaluation name	Publication year/Status	Description	Link
Netherlands	In Search of Focus and Effectiveness: Policy Review of Dutch Support for Private Sector Development 2005-2012	2014	An extensive summary of a report by the Sustainable Economic Development Department that covers the international literature on private sector development and Dutch private sector development policy.	<a href="http://www.oecd.org/derec/netherlands/In-search-of-focus-and-effectiveness%20.pdf">www.oecd.org/derec/netherlands/In-search-of-focus-and-effectiveness%20.pdf</a>
	Riding the Wave of Sustainable Commodity Sourcing: Review of the Sustainable Trade Initiative IDH 2008-2013	2014	This is a review of the Sustainable Trade Initiative (IDH) for the 2008-13 period, when funds were invested to build and run IDH and co-finance private sector companies involved in the value chains of commodities. The desk review and interviews specifically look at cocoa, cotton, tea, aquaculture and natural stone.	<a href="http://www.job-evaluatie.nl/publicaties/evaluaties/2014/10/01/397---job-evaluation-riding-the-wave-of-sustainable-commodity-sourcing-%E2%80%93-review-of-the-sustainable-trade-initiative-idh-2008-2013">www.job-evaluatie.nl/publicaties/evaluaties/2014/10/01/397---job-evaluation-riding-the-wave-of-sustainable-commodity-sourcing-%E2%80%93-review-of-the-sustainable-trade-initiative-idh-2008-2013</a>
	Access to Energy in Rwanda: Impact Evaluation of Activities by the Dutch Promoting Renewable Energy Programme	2014	This evaluation uses both quantitative and qualitative research methods to evaluate the impact of the Promoting Renewable Energy Programme in Rwanda. It covers the impact of the roll-out of the electricity grid, the national biogas programme, the marketing of personal solar lighting, and a project aimed at strengthening the energy authority.	<a href="https://www.government.nl/documents/reports/2015/04/28/job-access-to-energy-in-rwanda-impact-evaluation-of-activities-supported-by-the-dutch-promoting-renewable-energy-programme">https://www.government.nl/documents/reports/2015/04/28/job-access-to-energy-in-rwanda-impact-evaluation-of-activities-supported-by-the-dutch-promoting-renewable-energy-programme</a>
	Evaluation of Schokland and Millennium Agreements 2008-2013	2014	A report that evaluates public-private partnerships initiated under the 2007 Pact of Schokland – a society-wide pact in the Netherlands to contribute toward the Millennium Development Goals. The report assesses the results of public-private partnerships and makes policy recommendations concerning the factors that determine success.	<a href="http://www.rijksoverheid.nl/documenten/rapporten/2014/03/17/evaluation-of-schokland-and-millennium-agreements-2008-2013-engels">www.rijksoverheid.nl/documenten/rapporten/2014/03/17/evaluation-of-schokland-and-millennium-agreements-2008-2013-engels</a>
	Corporate Social Responsibility: The Role of Public Policy	2013	A systematic literature review of the effects of government-supported interventions on corporate social responsibility behaviour of enterprises in developing countries. It focuses on CSR behaviour that is explicitly induced, supported or facilitated by public sector policies.	<a href="http://www.oecd.org/derec/netherlands/Corporate%20Social%20Responsibility%20The%20role%20of%20public%20policy.pdf">www.oecd.org/derec/netherlands/Corporate%20Social%20Responsibility%20The%20role%20of%20public%20policy.pdf</a>
	Public-Private Partnerships in Developing Countries: A Systematic Literature Review	2013	A study by the Policy and Operations Evaluation Department, which reviews the definition and key criteria of development public-private partnerships, their rationale and goals, and their results – output, outcome and impact.	<a href="http://www.oecd.org/dac/evaluation/IOBstudy378publicprivatpartnershipsindvelopingcountries.pdf">www.oecd.org/dac/evaluation/IOBstudy378publicprivatpartnershipsindvelopingcountries.pdf</a>
	Evaluation of the ORET Programme: Investing in Public Infrastructure in Developing Countries.	Finalising	This is an evaluation of the Development-Related Export Transactions programme (ORET, the Dutch acronym for Ontwikkelingsrelevante Export Transacties) and its shift in mandate from promoting development and employment creation to promoting sustainable economic development and improving the business climate in developing countries.	<a href="http://www.oecd.org/derec/netherlands/Evaluation-of-the-ORET-programme.pdf">www.oecd.org/derec/netherlands/Evaluation-of-the-ORET-programme.pdf</a>

Country	Evaluation name	Publication year/Status	Description	Link
Norway	Evaluation of the Norwegian Investment Fund for Developing Countries (Norfund)	2015	This is an evaluation of the Norwegian Investment Fund for Developing Countries (Norfund) and its investments that establish and develop sustainable commercial businesses in lower-income developing countries. The evaluation presents results and an annex of evidence and has a separate file that includes the dataset underlying the analysis.	<a href="http://www.norad.no/om-bistand/publikasjon/2015/evaluation-of-the-norwegian-investment-fund-for-developing-countries-norfund/">www.norad.no/om-bistand/publikasjon/2015/evaluation-of-the-norwegian-investment-fund-for-developing-countries-norfund/</a>
	Evaluation of Norwegian Business-Related Assistance: Sri Lanka Case Study	2009	This case study reviews Norwegian private sector development in Sri Lanka over the last decade. It is a pilot study and part of a broader evaluation of Norwegian business-related development aid. Similar reports based on case studies of Norwegian business-related support to Bangladesh, South Africa and Uganda were planned.	<a href="http://www.oecd.org/derec/norway/44502397.pdf">www.oecd.org/derec/norway/44502397.pdf</a>
Portugal	Evaluation of Norwegian Support to the Private Sector SOFID – Portuguese Financial Institution	To be launched To be launched (was expected in 2015)		
Spain	Evaluación intermedia de la alianza público-privada para el desarrollo en Acobamba (Perú)	2014	This is a mid-term evaluation of the public-private partnership for development (PPPD) in Acobamba, Peru. It is the first evaluation of a PPPD within the framework of the Spanish Cooperation. It evaluates the model design management of the PPPD and analyses local public institutions in order to provide concrete recommendations for implementation and improve the quality of the intervention.	<a href="http://www.cooperacion.espanola.es/sites/default/files/peru_informe_completo-2.pdf">www.cooperacion.espanola.es/sites/default/files/peru_informe_completo-2.pdf</a>
	Evaluation of the Support to Industrial Technical Centres in Morocco	Ongoing (was expected in 2015)		
	Evaluation of ERICA Knowledge Sharing Programme in Colombia	Ongoing (was expected in 2016)		
	Now Open for Business: Joint Development Initiatives between the Private and Public Sectors in Development Cooperation	2015	A comprehensive report that covers leveraging private sector involvement, an inventory of joint development initiatives in Swedish development co-operation, and a review of how effectively these initiatives address development challenges.	<a href="http://eba.se/wp-content/uploads/2015/11/2015-11-private-and-public-sectors-in-development-cooperation.pdf">http://eba.se/wp-content/uploads/2015/11/2015-11-private-and-public-sectors-in-development-cooperation.pdf</a>
Sweden	The Evaluation of the Challenge Fund Innovations Against Poverty, IAP	2014	A decentralised evaluation of Innovations Against Poverty's 2011 pilot challenge fund to support innovative business ventures. The evaluation sought to find links between programme activities (financial grants), outputs (disbursements) and higher-level results (commercial viability of grantees and impact on the poor).	<a href="http://www.sida.se/contentassets/e6840da40eee40f08ea9ebf000e6fb39/2bb8e270-cbce-4724-a5b1-d3e172621bd5.pdf">www.sida.se/contentassets/e6840da40eee40f08ea9ebf000e6fb39/2bb8e270-cbce-4724-a5b1-d3e172621bd5.pdf</a>

Country	Evaluation name	Publication year/Status	Description	Link
Sweden <i>(continued)</i>	Evaluation of Swedfund International: An Analysis of Private Sector Development Impacts	2008	This evaluation assesses the extent to which Swedfund has fulfilled its goals and the results of its private sector development investments. It is the first externally initiated evaluation and was conducted by studying internal documents, interviews with Swedfund staff, and a questionnaire submitted to portfolio companies in developing countries.	<a href="http://www.oecd.org/derec/sweden/swedfund.pdf">www.oecd.org/derec/sweden/swedfund.pdf</a>
Switzerland	Development Effects of SIFEM's Investment Interventions	2013	An independent evaluation of the development effects of the Swiss Investment Fund for Emerging Markets' investment interventions between 2003 and 2011. It examines the fund's portfolio using established objectives, tools and metrics, examines the relevance and alignment of existing tools with the fund's strategic mission, and uses lessons learned to inform future interventions.	<a href="http://www.oecd.org/derec/switzerland/SWITZERLAND_EvaluationReport_SIFEM.pdf">www.oecd.org/derec/switzerland/SWITZERLAND_EvaluationReport_SIFEM.pdf</a>
	Switzerland's Economic Development Cooperation in Sustainable Trade Promotion and Its Contribution to "Aid for Trade"	2013	This independent evaluation provides a timely, useful assessment of the overall operations of the State Secretariat for Economic Affairs' (SECO) sustainable trade promotion. All SECO evaluations are undertaken to identify and disseminate results with the aim of determining the relevance, development effectiveness, and impact and sustainability of its different modalities of interventions in partner countries.	<a href="http://www.seco-cooperation.admin.ch/themen/01033/01130/05121/index.html?lang=en&amp;download=NHzLpZeg7t.Inp6i0NTU042i2Z6in1ad1iZn4Z2qZpn02YuqZ26gpJCDelN7fmym162epYbg2c_JjKbNoKSn6A--">www.seco-cooperation.admin.ch/themen/01033/01130/05121/index.html?lang=en&amp;download=NHzLpZeg7t.Inp6i0NTU042i2Z6in1ad1iZn4Z2qZpn02YuqZ26gpJCDelN7fmym162epYbg2c_JjKbNoKSn6A--</a>
	SECO's Contribution to Financial Sector Reform in Developing and Transition Countries	2011	An independent evaluation of SECO's contribution to financial sector reform in developing and transition countries from 1996 to 2010 when SECO focused its financial sector support on partner countries with the objective to achieve sound financial and monetary framework conditions and reform financial market infrastructure. The assessment was organised around a meta-evaluation based on existing evaluations and a full-fledged evaluation of SECO's bilateral portfolio in Viet Nam.	<a href="http://www.oecd.org/derec/switzerland/48576791.pdf">www.oecd.org/derec/switzerland/48576791.pdf</a>
	The Role and Effectiveness of SECO Cooperation in Business Environment Reform	2011	An independent evaluation the role and effectiveness of SECO co-operation in business environment reform, which focuses on the mobilisation of private sector resources in partner countries, with a particular emphasis on SMEs.	<a href="http://www.oecd.org/derec/switzerland/48577180.pdf">www.oecd.org/derec/switzerland/48577180.pdf</a>

Country	Evaluation name	Publication year/Status	Description	Link
	Business in Development: DFID's Work to Stimulate Private Sector Contributions in Development	2015	The Independent Commission for Aid Impact assesses how the Department for International Development (DFID) engages with businesses to achieve its objectives and benefit the poor. It considers DFID's objectives in engaging and partnering with businesses, the impact the department is having on the poor, and if DFID is learning through its interactions with businesses and disseminating good practice.	<a href="http://ica1.independent.gov.uk/wp-content/uploads/Business-in-Development-TORs-final.pdf">http://ica1.independent.gov.uk/wp-content/uploads/Business-in-Development-TORs-final.pdf</a>
	DFID's Private Sector Development Work	2014	This reports reviews the coherence of DFID's private sector development work.	<a href="http://ica1.independent.gov.uk/wp-content/uploads/ICAI-PSD-report-FINAL.pdf">http://ica1.independent.gov.uk/wp-content/uploads/ICAI-PSD-report-FINAL.pdf</a>
	DFID's Use of Contractors to Deliver Aid Programmes	2013	This report includes a number of elements. It reviews DFID's central procurement group. It examines five case studies of varying sized programmes in Bangladesh, Yemen and Nigeria and a global climate and development knowledge network. Finally, the report includes an assessment of due diligence on civil society organisations receiving DFID funds.	<a href="http://www.oecd.org/derec/unitedkingdom/ICAI%20REPORT-DFIDs%20Use%20of%20Contractors.pdf">www.oecd.org/derec/unitedkingdom/ICAI%20REPORT-DFIDs%20Use%20of%20Contractors.pdf</a>
United Kingdom	Facility for New Market Development (FNMD) to Strengthen the Private Sector in the Occupied Palestinian Territories	2012	An independent final evaluation of the Palestinian Facility for New Market Development, a matching grant scheme supporting SMEs between 2008 and 2012. The evaluation assesses the project's effectiveness, impact on grantee firms, and value for money. It also looks at cross-cutting issues. It was conducted by reviewing documents, reports, monitoring and evaluation data, interviews with representatives and opinion leaders, and web-based surveys of clients, non-clients and business service providers.	<a href="http://www.oecd.org/derec/unitedkingdom/8_EvaluationFacilityNewMarketDevelopmentFNMDStrengthenPrivateSectorinOccupiedPalestinianTerritories.pdf">www.oecd.org/derec/unitedkingdom/8_EvaluationFacilityNewMarketDevelopmentFNMDStrengthenPrivateSectorinOccupiedPalestinianTerritories.pdf</a>
	Arab Partnership Economic Facility	Ongoing (was expected in 2015)	Provides expertise and support to Egypt, Jordan, Libya, Morocco and Tunisia to implement their plans for reform and economic growth.	
	Markets for the Poor	Planned	An evaluation of market systems approaches, or Making Markets Work for the Poor (M4P), which reduce poverty by enhancing the ways that the poor interact with markets.	
United Kingdom/ United States/ Mike Foundation	Evaluation of SPRING	Ongoing	Evaluation of SPRING, an accelerator for businesses seeking to innovate and make a significant positive impact on the lives of adolescent girls in eight countries in East Africa and South Asia. SPRING aims to create sustainable markets for life-enhancing products and services that keep girls safe and able to learn and earn.	

Country	Evaluation name	Publication year/Status	Description	Link
United States	Development Credit Authority Evaluations	Various	This link provides access to the Development Credit Authority's individual country evaluations, including Ethiopia, Ghana, Haiti, Honduras, Indonesia, Kenya, Moldova, Mozambique, Philippines, Russia, Rwanda and Uganda.	<a href="http://www.usaid.gov/dca/dca-evaluations">www.usaid.gov/dca/dca-evaluations</a>
	Local Private Sector Partnerships: Assessing the State of Practice in USAID's Partnerships with Local Private Sector Actors	2015	A comprehensive assessment of local private sector partnerships. Explores the unique value of local companies, why and how they engage, and the US Agency for International Development's (USAID) approaches to local partnerships.	<a href="http://www.usaid.gov/sites/default/files/documents/15396/LPSP_1224_REV0107.pdf">www.usaid.gov/sites/default/files/documents/15396/LPSP_1224_REV0107.pdf</a>
	Understanding Private Sector Value: An Assessment of How USAID Measures the Value of Its Partnerships	2011	A commissioned assessment that goes beyond USAID's method of measuring value using the leverage ratio (proportion of private sector resources) to define and capture the value of partnering with the private sector. It also discusses when, where and how to use and measure the value of future Global Development Alliances.	<a href="http://www.usaid.gov/sites/default/files/documents/1880/Understanding%20Private%20Sector%20Value_Assessment%20Report_Final.pdf">www.usaid.gov/sites/default/files/documents/1880/Understanding%20Private%20Sector%20Value_Assessment%20Report_Final.pdf</a>
	Evaluating Global Development Alliances: An Analysis of USAID's Public-Private Partnerships for Development	2008	This report helps understand the full value and impacts of Global Development Alliances, USAID's public-private partnership model for development, and proposes steps for advancing the model. The assessment is based on in-depth interviews, anonymous web-based surveys, and reviews of case studies.	<a href="http://www.usaid.gov/sites/default/files/documents/1880/GDA_Evaluation_reformatted_10.29.08.pdf">www.usaid.gov/sites/default/files/documents/1880/GDA_Evaluation_reformatted_10.29.08.pdf</a>

Note: The inventory was compiled using links provided in survey responses, the DAC Evaluation Resource Centre database ([www.oecd.org/derrec](http://www.oecd.org/derrec)) and the DAC Network on Development Evaluation's evaluation plan inventory ([www.oecd.org/dac/evaluation/evaluation-plan-inventory.htm](http://www.oecd.org/dac/evaluation/evaluation-plan-inventory.htm)). DAC members are invited to send any updates or corrections to the DAC Network on Development Evaluation Secretariat.
