

Convention on Combating Bribery of
Foreign Public Officials in International
Business Transactions

Country Contact Points for International Co-operation

July 2018

Effective international co-operation between countries is crucial for the successful investigation, prosecution and sanction of international corruption offences. Published in June 2016, this document contains a list of country contact points for Parties to the Anti-Bribery Convention. This list can be used to obtain information from the relevant authorities for the purposes of: Consultation - Article 4(3); Mutual Legal Assistance - Article 9; and, Extradition requests - Article 10.
