

# The Danish Terrorism Insurance Scheme

A walkthrough

OECD, June 1, 2010

Michael Holm

Director, Finanstilsynet (The Danish Financial Supervisory Authority)

- A Committee on Terrorism Insurance was created by the government in 2005 following the discussions after 9/11
- The Terrorism Insurance Act was passed by the Danish Folketing 17 June 2008
- The act came into force 31 March 2010
- The European Commission found that the Scheme satisfied the conditions for state aid under art. 107 (3)(c) TFEU 14 January 2010

---

**It was a long and difficult process**

# Committee on Terrorism Insurance

---

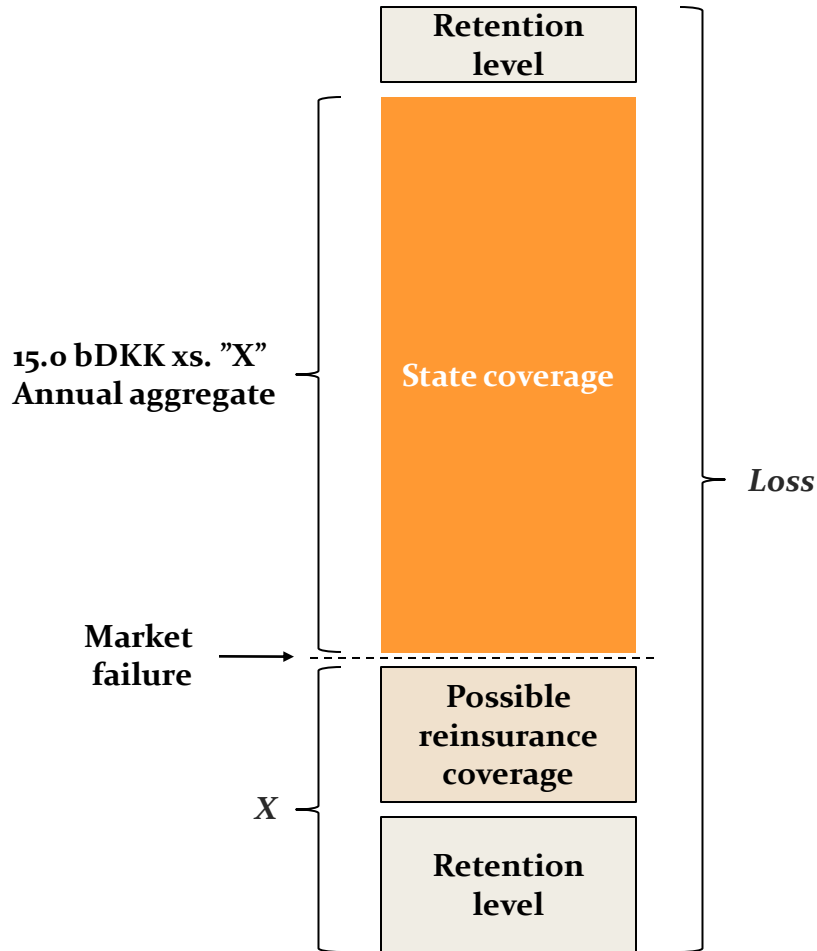

## *Analyses and recommendations:*

- Creation of a Scheme to cover losses from a terrorism event where NBCR-weapons have been used.
- Uncertainty of the coverage of workmen's compensation has to be removed
- Life & Pension was not a problem

---

**Workmen's compensation was solved by a change in a law**
