

Andrew BOAL

Managing Director of Towers Watson, Australia

Andrew is the Managing Director of Towers Watson in Australia. He also sits on the organisation's Asia-Pacific Leadership Group—the management team responsible for shaping the future of Towers Watson in the region.

With over 26 years consulting experience in the superannuation and employee benefits industries, Andrew is responsible for managing key client relationships and developing strategic solutions for several major clients. He also plays an important role in driving Towers Watson's research efforts in Australia, and has authored such reports as “The Superannuation Guarantee – is 9% enough?”

Andrew is the convenor of the Institute of Actuaries of Australia's Superannuation & Employee Benefits Practice Committee and has been an examiner and tutor for superannuation. He is a Fellow of the Institute of Actuaries of Australia and holds a Bachelor of Science (majoring in Mathematics and Statistics) from the University of Melbourne.
