**Colombia: 4-5 November 2009**  
**Workshop Evaluation**

Country (Optional):	Name (optional)				Total
	Achievement of workshop objectives (Please Tick "√")				
Objectives	Very Good	Good	Poor	Very Poor	
<b>1. Launch the evaluations: how to get started, manage the evaluation, and select and contract teams</b>	1	4	1		6
%	17%	66%	17%		100%
Any further comments:	1. Some other countries should be invited: Paraguay, Brazil, Mexico and Honduras 2. Would have been more successful had everyone read background materials 3. As part of a multilateral organism this same exercise can be interesting to apply within our organisation and find common ground to support the evaluation process (comment from OAS) 4. Strengthen context in structure of the organisation of the evaluation				
<b>2. Agree and/ or propose refinements to the Generic Terms of Reference for Country Evaluations and the common Evaluation Matrix</b>	4	2			6
%	66%	34%			100%
Any further comments:	1. The matrix allows a clear conception of the diverse factors that are relevant to the PD Evaluation 2. Total openness to comments				
<b>3. Launch the Systems to support individual evaluations and to share progress and lessons between evaluation teams</b>	3	2	1		6
%	50%	33%	16%		50%

Any further comments:	1. It is very soon for this. 2. It is an ongoing process where each step needs to be covered. As a new comer it is easy to loose context and background. 3. The information on lessons learnt from teams was missing.					
<b>4. Be ready to participate in the international Reference Group by 1 December to finalize Generic ToRs</b>	3	3			6	
%	50%	50%			100%	
Any further comments:	1. As the discussion continues it is important to hear other voices and profiles as mentioned during the workshop
