

OECD-Korea Regional Centre for Competition

Regional Antitrust Workshop on

Competition Case Studies

Seoul, Korea, 7-9 December 2005

This seminar will explore a variety of cases examined by various competition authorities in Asia. Key focus areas for the case studies include: cartels, abuse of dominance in non regulated sectors, and horizontal mergers. In addition, a variety of lectures will be given that focus on salient issues in these three areas. Finally, 2 countries will report on competition issues that they face.

Attending countries include: Indonesia, Japan, Korea, Mongolia, Thailand, Chinese Taipei and Vietnam.
