

**Dirk PILAT**

Head, Science and Technology Policy Division,  
OECD Directorate for Science, Technology & Industry  
dirk.pilat@oecd.org

Mr. Dirk Pilat, a Dutch national, is Head of the Science and Technology Policy Division in the OECD Directorate for Science, Technology and Industry. He is responsible for the OECD's Committee for Scientific and Technological Policy, which aims at the development of good policy practices in the area of science, technology and innovation. He joined the Directorate for Science, Technology and Industry in May 1997 and has worked on many policy issues since then, including how to draw greater benefits from information technology for economic growth, how to strengthen growth performance in OECD economies (the OECD Growth Project), how to strengthen the performance of the services sector, as well as work on science, innovation, productivity and entrepreneurship. Mr. Pilat holds a PhD in Economics from the University of Groningen, in the Netherlands.
