Higher Education System

In Spain, Universities depend upon the Ministry of Education.

In Andalucía, since 2004, they are ruled by the *Regional Ministry of Science, Innovation and Enterprise*, with a view to strengthen higher education role in a Knowledge society.

University Landscape

10 Public Universities forming the Andalusian University System (AUS)

University of Sevilla (1505) - US

University of Granada (1512) - UGR

University Málaga (1968) - UMA

University of Córdoba (1972) - UCO

University of Cádiz (1979) - UCA

University of Huelva (1993) - UHU

University of Almería (1993) - UAL

University of Jaén (1993) - UJA

International University of Andalucía (1994) - UNIA

University Pablo de Olavide (1997) - UPO
