

1.

Seed of 'home' cultivars certified under the OECD Scheme between 1st July 1998 and 30 June 1999

COUNTRY: HUNGARY

Species (Latin name)	Weight of <u>OECD certified seed</u> , by species (kilogrammes)			
	Pre-basic Seed (striped label)	Basic Seed (white label)	Cert. Seed 1 st Gen (blue label)	Certified Seed (specify next gen.) (red label)
Brassica napus var. oleifera subvar. Biennis			342.650	
Raphanus sativus (var. oleiferus)	20.000	10.000	351.000	
Sinapis alba		270.000	3.797.035	
Festuca arundinacea		490		
Festuca rubra			34.180	
Lolium multiflorum			17.500 *	
Lolium perenne		2.960	15.600	
Glycine max		2.500		40.000 *
Lathyrus sativus		5.000	19.500	
Lupinus albus			46.000	
Medicago sativa			26.350	
Pisum sativum			20.000	
Trifolium pratense			56.500	
Vicia villosa		1.500	18.700	
Vicia pannonica			65.500	
Cannabis sativa			30.000	69.075 *
Helianthus annuus		10.019	404.563	
Linum usitatissimum	14.750		20.000	

Species (Latin name)	Weight of <u>OECD certified seed</u> , by species (kilogrammes)			
	Pre-basic Seed (striped label)	Basic Seed (white label)	Cert. Seed 1 st Gen (blue label)	Certified Seed (specify next gen.) (red label)
Phacelia tanacetifolia		153.500	97.450	
Hordeum vulgare			170.000	
Triticum aestivum		4.000	58.000	1.530.200 *
Beta vulgaris		42	120.595	
Sorghum bicolor			6.420	
Sorghum sudanense			48.000	
Zea mays		3.964	7.892.758	

2.

Seed of 'foreign' cultivars certified under the OECD Scheme between 1st July 1998 and 30 June 1999

COUNTRY: HUNGARY

Species (Latin name)	Weight of <u>OECD certified seed</u> , by species (kilogrammes)			
	Pre-basic Seed (striped label)	Basic Seed (white label)	Cert. Seed 1 st Gen (blue label)	Certified Seed (specify next gen.) (red label)
Brassica napus var. oleifera subvar. Annuua			291.975	
Brassica napus var. oleifera subvar. Biennis			47.710	
Raphanus sativus (var. oleiferus)		150.365	2.634.904	
Sinapis alba	22.000	345.311	6.653.056	
Festuca arundinacea			6.300	
Festuca pratensis			13.210	
Festuca rubra			2.740	
Lolium multiflorum		35.300	3.110.521	120.000
Lolium perenne			50.975	
Lolium x boucheanum			24.825	
Medicago sativa		11.425 *	296.760 *	77.050 *
Onobrychis viciaefolia			1.075 *	
Pisum sativum	100.000		471.500	92.000
Trifolium incarnatum		31.350	196.740	
Trifolium pratense		10.000	179.750	
Vicia villosa		*	9.500 *	
Helianthus annuus			168.306	

Species (Latin name)	Weight of <u>OECD certified seed</u> , by species (kilogrammes)			
	Pre-basic Seed (striped label)	Basic Seed (white label)	Cert. Seed 1 st Gen (blue label)	Certified Seed (specify next gen.) (red label)
Phacelia tanacetifolia			343.865	
Beta vulgaris			225.957 *	*
Sorghum bicolor			2.320	
Zea mays		9.614	17.795.221	

5.

Seed of 'home' cultivars not finally certified under the OECD Scheme between 1st July 1998 and 30 June 1999

COUNTRY: HUNGARY

Species (Latin name)	Weight of <u>not certified seed</u> , by species (kilogrammes)			
	Pre-basic Seed (grey label)	Basic Seed (grey label)	Cert. Seed 1 st Gen (grey label)	Certified Seed (specify next gen.) (grey label)
Brassica napus var. oleifera subvar. Biennis			38.100	
Raphanus sativus (var. oleiferus)			39.000	
Sinapis alba			2.044.550	
Phacelia tanacetifolia			20.000	
Zea mays			1.392.840	

6.

Seed of 'foreign' cultivars not finally certified under the OECD Scheme between 1st July 1998 and 30 June 1999

COUNTRY: HUNGARY

Species (Latin name)	Weight of not <u>finally certified seed</u> , by species (kilogrammes)			
	Pre-basic Seed (grey label)	Basic Seed (grey label)	Cert. Seed 1 st Gen (grey label)	Certified Seed (specify next gen.) (grey label)
Brassica napus var. oleifera subvar. Biennis			8.420	
Raphanus sativus (var. oleiferus)			291.000	
Sinapis alba			4.435.370 *	
Trifolium incarnatum			365.370 *	
Phacelia tanacetifolia			60.680 *	
Secale cereale			3.140.675	
Zea mays			4.448.800
