

Mr. Keith Wiebe: brief note

Keith Wiebe is Deputy Director of the Agricultural Development Economics Division of the Food and Agriculture Organization of the United Nations in Rome. Prior to joining FAO in January 2007, he was Deputy Director of the Resource and Rural Economics Division of the US Department of Agriculture's Economic Research Service in Washington, DC. He received his Ph.D. in agricultural economics from the University of Wisconsin-Madison in the United States. His areas of particular interest include land tenure, natural resource use and conservation, agricultural productivity, and food security.
