

OECD Workshop on Competition Assessment

Jakarta, Indonesia, 22–24 June 2009

Workshop Overview

This workshop will focus on competition assessment. It will provide an introduction to the OECD Toolkit and to the APEC/OECD Checklist. Competition assessment of regulation in the United States and Canada will be explored. The workshop will include market definition analysis and data source analysis as well. Case studies will be used to explore issues in the mobile phone market and the retail industry.
