### **Sovereign Wealth Funds**

**COUNTRY**

**Statement**

**Mr. Ronnie BAR-ON**

**Minister of finance**

On behalf of the Government of the State of Israel I wish to express my country's support for the work of the IMF and the OECD on best practices for Sovereign Wealth Funds, that will promote an open global investment environment and contribute to increasing the understanding, mutual trust and confidence.

Currently, Israel is examining the draft Declaration in the context of the OECD codes.
