

**ANTI-CARTEL ENFORCEMENT AND RESTRICTIVE AGREEMENTS
COMPETITION WORKSHOP
Budapest, Hungary, 21-25 May 2007**

DRAFT AGENDA

Hungarian Judicial Academy – Ferenc DEÁK conference hall

WORKSHOP OBJECTIVES

This seminar will cover the field of multilateral restrictive practices. Three days will be devoted to issues relevant to effective anti-cartel enforcement, such as developing an effective anti-cartel programme, investigative techniques including dawn raids and interviews, relevant evidence in cartel cases, effective sanctioning and leniency. A fourth day will be devoted to an overview of issues relevant to non-cartel restrictions to competition in horizontal and vertical relationships, such as cooperation agreements and exclusive distribution systems. Techniques and best practices will be illustrated by case studies from participating jurisdictions.
