Sergio Caroli
Istituto Superiore di Sanità, Rome
caroli@iss.it

OECD EVENT

*A multilateral Symposium
between Monitoring Authorities,
Regulatory Authorities
and Test Facilities
on the implementation
of the OECD Principles
of Good Laboratory Practice*

Background information

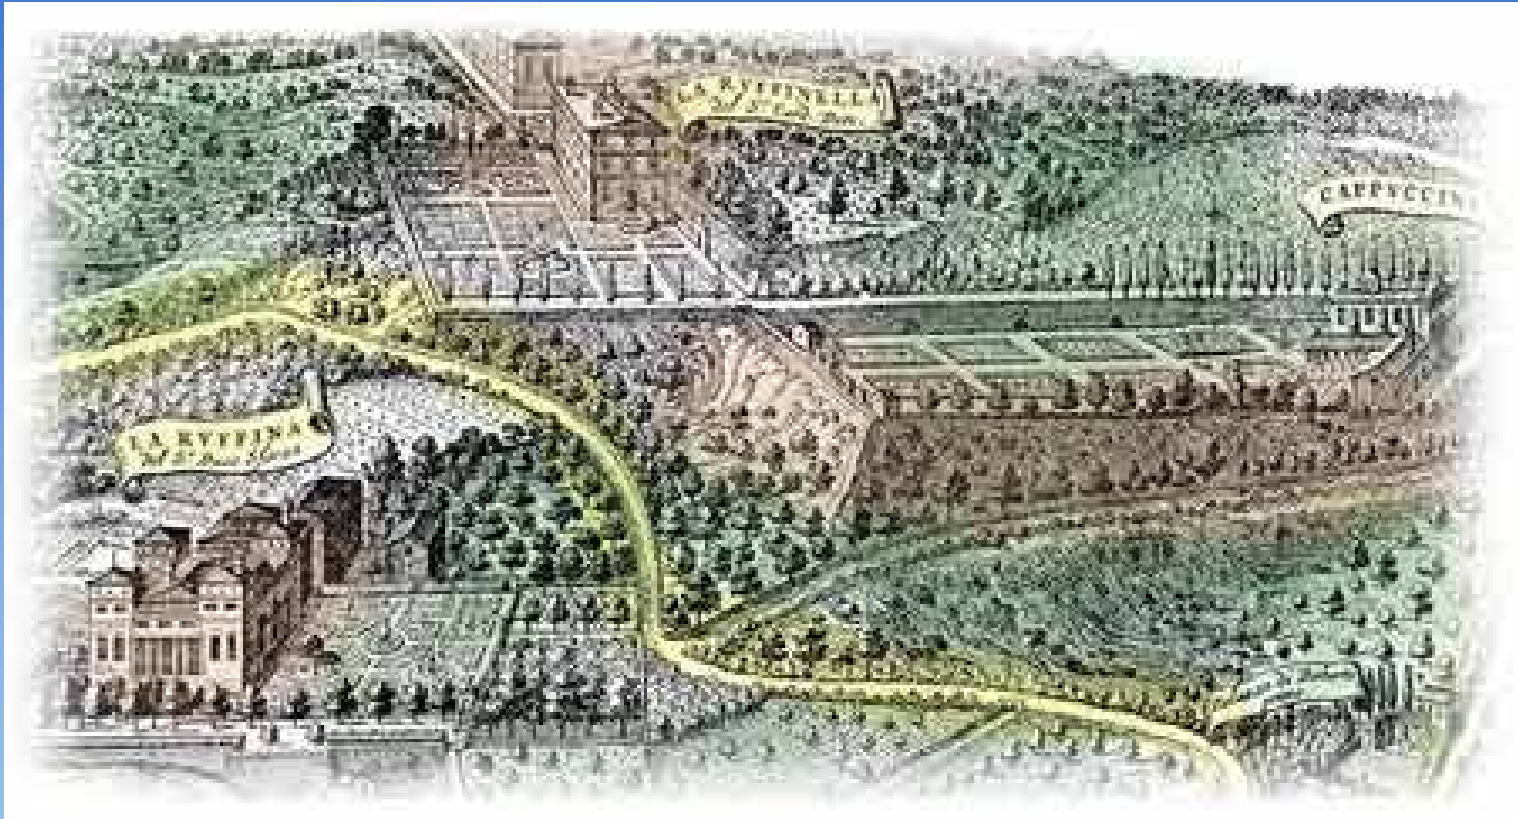

- ◆ **Rationale:** need for an open forum where interested parties can meet and discuss issues of reciprocal interest.
- ◆ **Scope:** overview of the degree of implementation of the OECD Principles of GLP in Member and non-Member Countries, promotion of better co-operation, understanding and interaction among all partners (MAs, RAs and Industry).
- ◆ **Organiser:** OECD WG on GLP.

*Villa Tuscolana,
the venue of the
OECD event...*

Since ancient times the Tusculanum area has been holiday resort of all the noble families; roman patricians, medieval barons, cardinal families and Popes chose these beautiful places to take some rest from the life in the Capital.

1620 : view of The System of "The Tuscolanum Villas"
