Revised version September 2011

The following list provides a description of the changes made to the publication since the original version was printed.

Page 56

Table A2.3

The note for Australia should be 2, not 1.

Page 91

Chart A5.3

Vertical axis unit : « score points » instead of « % »

Page 100

Chart A6.1

The Legends should be reversed as follows:

Triangle: top quarter

Square: third quarter

Diamond: second quarter

Line: bottom quarter

Page 119

Chart A7.2

The unit should be “percentage”, not “percentage points”.

The ranking should read “Countries are ranked in descending order of the **unemployment** [*instead of employment*] rate in 2009 for individuals with upper secondary and post-secondary non-tertiary education”.

Page 132

Correction for Table A7.4a, the last Column changed as follows for Turkey and the United Kindgom:

OECD		2009
Turkey	Below upper secondary	12.6
	Upper secondary and post-secondary non-tertiary	12.6
	Tertiary education	9.2
United Kingdom	Below upper secondary	9.9
	Upper secondary and post-secondary non-tertiary	5.8
	Tertiary education	3.5

Page 330

On the first paragraph, the following text appears:

“An average of 74% of students who change their status do so for work-related reasons. This is true for 80% or more of status changes in Canada, Germany, Ireland and the Netherlands.”

This should read:

“An average of 74% of students who change their status do so for work-related reasons. This is true for 80% or more of status changes in Canada, the Czech Republic, the Netherlands and the United Kingdom.”
