

Mr Sander Verbaan

Mr Sander Verbaan works for the Financial Markets Directorate of the Dutch Ministry of Finance. Part of his time is spent on working for the CentiQ-platform. In the CentiQ platform more than 40 partners from the Dutch government, the financial sector, consumer organisations and universities have joined their forces, in order to find ways to strengthen the consumer's position in financial matters, and improve the nation's financial capability. Mr Verbaan has a degree in Economics and Political Science.
