

Adaptation – post 2012

AI Expert Group

Paris 5-6 May 2008

Adaptation – current framework

- Articles 2 and 4 – esp 4.8 and 4.9
- 2001: Marakesh – 5/CP7
 - Adaptation funds – SCCF, LDCF – Napa's
- 2004: Buenos Aires – 1/CP10
 - Regional meetings
- 2006: Nairobi – NWP
 - 9 areas of work
- 2007: Bali
 - Adaptation Fund

Bali Action Plan

- International architecture
 - Catalytic role of UNFCCC and international cooperation
- Approaches
 - Integration into development, projects and programmes, climate resilient development, sustainable development plans, economic diversification
- Means to address loss and damage
 - Insurance, DRR
- Targeting
 - Vulnerability assessments, prioritisation, needs of most vulnerable
- Finance
 - Adequate, predictable, sustainable; innovative means of funding, mobilisation of public and private funding; support in estimating costs

Framing questions

- Adaptation = climate resilient development?
- Adaptation: what role for the UNFCCC?
- Concrete commitments - post 2012?
