

ANNEX (continued)

The Annex details the information the OECD holds on the DAC members' ODA commitments to your country under these four headings and briefly describes the CRS codes used to proxy Aid-for-Trade categories. Please note that the CRS codes record the sector of destination of an activity and not the nature of the activity per se: e.g. a training programme for farmers aimed at increasing crop productivity will be recorded within "agriculture" and not "education".

For further details on the definition of ODA, of commitments versus disbursements, and other methodological issues of the CRS, please see the Reporting Directives for the CRS [available online at: <http://www.oecd.org/dac/stats/crs/directives>] For any queries about the CRS reporting, please contact the OECD Secretariat [dac.contact@oecd.org].
