WORKSHOP ON FOREIGN DIRECT INVESTMENT IN THE CARIBBEAN BASIN AND LATIN AMERICA

5-6 April 2001

Curaçao, Netherlands Antilles

This workshop builds on the initiatives developed during *the Workshop on Foreign Direct Investment in the Caribbean Basin*, Santo Domingo, April 2000.

This workshop, to be held in Curacao 5-6 April 2001, will be the starting point for *the Caribbean Rim Investment Initiatives*. As a building block of the initiative, the workshop would provide an opportunity to assess comparative advantages of the countries of the region to attract FDI and serve as a forum for discussing measures to improve the investment climate.
