

Dr Tim Kelly is the newly appointed Lead ICT Policy Specialist at infoDev, at the World Bank in Washington DC, where he has responsibility for access for all and for mainstreaming ICTs for development. He was previously Head of the Strategy and Policy Unit (SPU) at the International Telecommunication Union (ITU), where he worked between 1993 and 2008. Before joining ITU he spent five years as a Communications Policy Analyst with the Organisation for Economic Co-operation and Development (OECD) and three years with Logica Consultancy Ltd. He has an MA (Hons) degree in Geography and a Ph.D in industrial economics from Cambridge University.

Over the last twenty years, Dr Kelly has specialised in the economics of the telecommunications industry. He has written or co-authored more than 30 books on the subject including the ITU's "Internet Reports" and "World Information Society Reports". He was in charge of the "content team" for the World Summit on the Information Society (WSIS), which concluded in November 2005.
