

E A P TASK FORCE

Work Programme Proposal for 2008 - Policy -

EAP Task Force meeting
7-8 February 2008

Background information

- The Belgrade Ministerial Declaration mentions the need to further support strengthening of environmental policies and institutions in EECCA countries
- Major problems:
 - Policies rely on a number of unreformed instruments
 - Compliance is low
 - Institutions lack the incentives and means to achieve environmental results
- REPIN network - a platform to exchange practical experience and build partnerships
- Involvement of NGOs and the private sector
