### **Dr Baris Karapinar: brief note**

Barış Karapınar is a senior research fellow at the World Trade Institute, University Bern in Switzerland. He holds a PhD in development studies from the London School of Economics and Political Science (LSE).

He is currently coordinating an international research project, funded by the Swiss Agency for Development and Cooperation, on the sustainability impact of Swiss agricultural and trade policies on developing countries. He is also working on a research project ‘Sustainable Agriculture within WTO Law and Policy’, being responsible for stakeholder attitude surveys on sustainable agriculture in China and Turkey.

He has worked as a consultant for the World Bank. He has also produced and hosted a weekly TV program on sustainable development in Turkey. He is the editor of ‘Food Crises and the WTO’ (Cambridge University Press, Forthcoming), and ‘Rethinking Rural Development in Turkey: World Bank Strategy and Beyond’ (Nova, New York, 2009).
