

FINAL SESSION:

Questions for drawing out main themes discussed in the Forum

1. TF in Africa

- What are the main TF challenges facing African countries?
- How to ensure that TF is effective and contributes to development?
- What can be done by developing country governments? By the private sector? Through bilateral, regional or other international co-operation?
- What is the role of donors? How can their efforts be aligned with locally owned strategies?

2. Preparing for a WTO Agreement

- How can time best be used during the negotiation suspension? Advance on self-assessment and gaps analysis? Align the TF process with Aid-for-Trade discussions? Other ideas?
- How can commitments best be linked to implementation capabilities? What S&D flexibilities can be envisaged?
