

Mr. Keith Dawson is Senior Advisor, Trade Policy, at Industry Canada, a federal department of the Government of Canada. In this capacity, Mr. Dawson manages Industry Canada's connection to Canada's trade policy agenda and provides strategic policy recommendations and analytical advice on bilateral, multilateral and international trade policy, negotiations, rules, and agreements to the Minister, senior management, other federal departments, provincial/foreign governments, domestic and foreign investors, and the general public. In addition to degrees from the University of Windsor and Carleton University, Mr Dawson is a Certified Management Accountant.
