OR

**BY RER:** take line A to Grande Arche de la Défense, 'Sortie F' and, with the Grande Arche behind you, walk back towards Paris. As you walk towards Paris you should see a big modern ship-like looking building called COEUR DEFENSE on your left and shortly afterwards, the restaurant Mond, 1 place des Corolles on your left. Take a hard left, go past the Mond, an optician shop, Karly's boulangerie, out into the open air and Tour Europe is straight ahead slightly to the right.

OR

**BY METRO:** take line 1, get on at the front of the train, direction Grande Arche de La Défense and get off at Esplanade de la Défense which is one before the end. When you get off, take the escalator on the right (at the head of the train). Then, at the top, take the right-hand exit and at the top, once in the open air turn left to face the Grande Arche, with Paris behind you. Walk straight, keeping the gardens on your left for approx 10 mins, until you come to a travel agency called Carlson Wagonlit, continue walking and turn to your right between the agency and the restaurant called Mond, 1 place des Corolles. Carry on walking past the Mond, an optician shop, Karly's boulangerie, out in the open air and Tour Europe is straight ahead slightly to the right.
