Arrival from Arlanda Airport

Transfer by Arlanda Express Train

Arlanda Express is the fastest and most convenient way to travel between Arlanda Airport and the Nordic Sea Hotel. The service is non-stop with a journey time of only 20 minutes. With trains departing every 15 minutes Arlanda Express beats any other form of transport for ease and efficiency. The Nordic Sea Hotel is located only 50 meters from the train station.

When you have collected your baggage, buy the Arlanda Express ticket in the ticket machine or at the ticket counter. Single fare is SEK 220 and return is SEK 420. During weekends there are special discounts for two and for families. Take the escalator or the elevator to one of the two stations, Arlanda South under flight terminal 2-4 and Arlanda North under flight terminal 5.

The trains depart normally at 05, 20, 35 or 50 past the hour. Please look at the monitors at the escalators for the next departure. The travel time is only 20 minutes. You arrive at Stockholm Central. Walk in the direction of the train and turn left into Vasaplan. The entrance to the Nordic Sea Hotel is situated on the right hand side about 50 meters straight ahead on Vasaplan towards the next street Vasagatan.

Transfer by taxi

If you choose to travel by taxi to our hotel we strongly recommend you to choose one of the following taxi companies:

The taxis located in the first taxi lane are normally taxis that are not licensed to a switchboard.

Nordic Sea Hotel is more than happy to pre-reserve a taxi that will be waiting upon your arrival. The taxi ride can be charged to your room account and you can settle the journey along with your other charges upon check out. The normal fixed meter fare from Arlanda to Stockholm City is about 400 SEK oneway.
