At the preparatory Workshop for the Evaluation of General Budget Support (Brighton, 14-15 October 2003), the need for sharing of evaluation results on other types of programme aid than General Budget Support was highlighted. The Secretariat and the Chair have outlined some suggestions and issues for discussion. Room Document 4

France and the DAC Evaluation Network jointly organised the workshop “Partners in Development Evaluation – Learning and Accountability”, 25-26 March 2003.
