<b>1. Launch the evaluations: how to get started, manage the evaluation, and select and contract teams</b>	6	7			13
%	46%	54%			100%
Any further comments:	1. I believe that the key elements are now available but that clarifications will be necessary step by step (during the different important milestones of the process). 2. Very good opportunity to discuss the ToRs and other documents. Very participatory! 3. Good to clarify questions.				
<b>2. Agree and/ or propose refinements to the Generic Terms of Reference for Country Evaluations and the common Evaluation Matrix</b>	5	8			13
%	39%	61%			100%
Any further comments:	1. It is important to include in the ToRs for country evaluations the issue of the mechanism of aid delivery. 2. Very good work on amendments. 3. The process has been well managed. 4. The Core Team has been receptive and participative. 5. Simplify & clarify the questions. Distinguish those which reveal the process and the impact.

Any further comments:	<ol style="list-style-type: none"> <li>1. Need to explain better.</li> <li>2. Safeguard the multi-lingual character.</li> <li>3. The system seems good. I hope people will use it.</li> </ol>

Any further comments:	<ol style="list-style-type: none"> <li>1. The time extension does not seem to be sufficient to obtain a Shengen visa. For the next meetings, please organise this in advance (the date should be known a month in advance).</li> <li>2. We have time for small group discussions, plenary discussions and chats during coffee breaks. The organisation of the seminar was very good and the atmosphere was very nice.</li> <li>3. Swiss Cooperation in Benin is ready to participate in the Country Reference Group. SDC Headquarters will participate in the IRG meeting in Paris and has sent an email to Niels (as requested).</li> </ol>
