## Sample Questionnaire

**Multicultural Me**

1. **Do you know a song or a type of music from another culture?** What types of music from other cultures do you like, and why?

2. **Do you know any specific traditions from other cultures?** Describe them.

3. **Have you ever eaten any food from other cultures?** What did you have the opportunity to sample? Do you have a favorite food?

4. **Do you wear clothing or jewelry influenced by other cultures?** Describe the material, colors, etc.

5. **Do you have friends with backgrounds different from your own?** Describe them, and tell where they are from, how you met them, etc.

6. **Do you speak or are currently learning some other language?** Which one(s)? Is it difficult to learn, speak, and write a foreign language? Do any of your family members speak foreign languages?

7. **Have you traveled abroad?** Have you ever studied abroad? Has a family member or any of your friends done so? Would you like to study abroad?

8. **What cultural celebrations and holidays are you familiar with?** Describe one of these holidays to your partner.

**NOTE**

Pay attention to what the pairs of participants are talking about to ensure that they remain on-task. It is important to prepare (for example, through consulting cultural resources) and to have examples already prepared for questions 1, 2 and 8. You can also bring music, pictures, etc. For those using this toolkit in the context of pre-service or formal professional development, student teachers can also be participants.
