

AGENDA

Expert workshop on tracking climate finance flows from the private sector and multilateral development banks¹

Thursday, 10th of November, 2011

Organised by the OECD / IEA Climate Change Expert Group (CCXG) and the OECD Development Co-operation Directorate (DCD)

IEA Room 2, No. 9, rue de la Fédération, 75015 Paris (Métro: Bir-Hakeim)
Tel. +33 1 40 57 65 00

This workshop is organised:

- to share experience of existing methodologies to track private sector flows for climate change and to discuss how these methodologies could be reinforced;
- to raise the level of understanding of the integration of climate change flows from multilateral development banks (MDB) into the OECD Development Assistance Committee (DAC) Creditor Reporting System (CRS) database.

This workshop will be held back-to-back with the OECD Working Party Meeting on Climate, Investment and Development (8-9 November).
