

Markus Schmutz

Markus Schmutz, Managing Director, joined Swiss Re Capital Markets in 1999 and for the past seven years has managed the non-life insurance-linked securities (ILS) structuring and origination group. He has been a key driver of the company's growth as one of the leading broker-dealers in the ILS markets. Prior to joining the capital markets unit, Markus was based at Swiss Re's headquarters in Zurich where his main responsibilities included risk modeling and pricing complex transactions. Markus holds a master's degree in mathematics from the Swiss Federal Institute of Technology (ETH).
