Session 5: Policy Responses to New Forms of Work

Stefano Scarpetta
OECD Director of Employment, Labour and Social Affairs
September 2, 2019

Meeting of the G20 Labour and Employment Ministers, Matsuyama, 1-2 September 2019
New Forms of Work

**Platform work’s recent growth seems to have slowed**

Number of new vacancies posted on the five largest English-language online platforms

Feb 2019

May 2016

**1 in 9 workers is on a temporary contract**

**Informality is high in emerging economies**

Incidence by type of employment, average of select emerging G20 economies

Note: OECD/G20 and Russia, 2017
Challenges

Classification

10-30% of workers in the US are misclassified

Regulation

Over 1 in 5 self-employed workers in the UK had one dominant client in 2017
Challenges

Social Protection

Of ten G20 countries, only one gives the same access to unemployment benefits to self-employed and dependent employees.

</tr>
</tbody>
</table>

Training

Non-standard workers are less likely to have access to training.

- **Full-time permanent**: 21ppt gap
- **Own-account self-employed**: 21ppt gap
