<http://oe.cd/GFP>

# OECD GLOBAL FORUM ON PRODUCTIVITY

.....

# 1 What is the Global Forum on Productivity (GFP)?

- A networking and community platform of public bodies (OECD and non-OECD)
- A Forum that promotes productivity-enhancing policies and fosters international cooperation
- An initiative of different OECD Committees that is governed by its own members

# 2 What does the GFP do?

Analysis, communication and convening activities:

- High quality research
- OECD Productivity working paper series
- Data and knowledge sharing
- Joint initiatives
- International conferences
- Visibility and dissemination

# 3 Benefits for GFP members?

- Being at the forefront of productivity research
- Access to OECD data and analysis
- Guiding the work programme of the GFP
- Increasing the visibility of their respective institutions
- Hosting GFP events
- Access to a password protected interactive platform

.....

# 4 How to join the GFP?
