

Artificial Intelligence expert group at the OECD (AIGO)

[AIGO](#) has multi-stakeholder membership and brings together experts who have been nominated by OECD Committee on Digital Economy Policy (CDEP) delegations and advisory committees (BIAC, CSISAC, ITAC, TUAC) as well as a handful of experts invited by the Secretariat upon recommendation from delegations. The group is small and operates informally and flexibly. The CDEP Chair, Mr. Wonki Min, chairs AIGO.

For more information about OECD work on artificial intelligence, visit www.oecd.org/going-digital/ai.
