Notes:

1. Pledges recorded in the table for Australia, Denmark, the Netherlands and the United Kingdom were compiled by OCHA.
2. Commitments by Greece, Japan, Luxembourg, Spain, Sweden and the United Kingdom exceed their pledges. This is because their pledges refer only to those made by the main aid agency, while the commitments are those from all agencies in that country. The DAC Total for pledges is based on the higher commitment figures for these countries.
3. Commitments shown for Denmark, Greece and Spain have been set equal to their disbursements.
