ADMINISTRATOR (GRADE A2/A3), FISHERIES DIVISION,
DIRECTORATE FOR FOOD, AGRICULTURE AND FISHERIES

Closing date for applications: 2 December 1991

Duties:

Under the supervision of the Head of Division and the Principal Administrator:

1. To examine fisheries policies pursued in Member countries particularly with regard to the fishing industry, trade and economic aspects of production.

2. To draft technical and analytical documents and prepare documentation for studies in fisheries policies in Member countries, mainly in the field of economics, undertaken by the Committee for Fisheries.
3. Participate in and contribute to the preparation of meetings related to the work of the Division. If necessary attend external meetings.

Principal qualifications:

1. University degree in economics and/or resource management.
2. Experience of economic and management aspects of fisheries problems.
3. Ability to draft technical and analytical papers.
4. Excellent knowledge and proven drafting ability in one of the two official languages of the Organisation and very good knowledge of the other. Knowledge of other languages of Member countries would be an advantage.
