ADMINISTRATOR (GRADE A2/A3) IN THE DIVISION FOR COMPETITION AND CONSUMER POLICY, DIRECTORATE FOR FINANCIAL, FISCAL AND ENTERPRISE AFFAIRS

Closing date for applications: 16th March 1992

Duties:

Under the supervision of the Head of Division:

1. To research and write reports and analyses on competition policy issues for the Committee on Competition Law and Policy. Most of these reports and analyses will involve the application of both legal and economic skills.

2. To keep abreast of developments in the field of competition policy in both Member and non-Member countries.
3. To organise policy planning, training and other technical assistance activities in non-Member countries.

4. To keep abreast of developments in the field of industrial organisation economics relevant to competition law enforcement.

Principal qualifications:

1. Advanced degree in either the field of law or economics, plus substantial background, preferably including a degree, in the other field.

2. Substantial knowledge and experience in competition policy and industrial organisation economics. Experience working in a national administration or other international organisation would be an advantage.

3. Ability to undertake and organise work involving combined legal and economic analysis in the field of competition policy.

4. Ability to work under pressure and aptitude for teamwork.

5. Excellent written and spoken English or French; good knowledge of the other language.
