OFFICE CIRCULAR

ADMINISTRATOR (GRADE A2/A3), MACROECONOMIC ANALYSIS AND SYSTEMS MANAGEMENT DIVISION, ECONOMICS DEPARTMENT

Closing date for applications: 4 July 1994

The OECD is an equal opportunity employer and encourages applications from female candidates

Duties

Under the supervision of a Principal Administrator and the Head of Division, the post-holder will be required to:

1. Participate in ongoing work of the Department on a broad range of empirical studies contributing to macro-policy assessments, simulation analyses and the OECD INTERLINK world model. Undertake specific econometric analyses and model development inwork.

3. Draft material for reports on the above subjects to be submitted to the Economic Policy Committee and its subsidiary Working Parties.

4. Prepare related working-paper material and technical documentation.

Principal qualifications

1. Advanced university degree in economics with several years’ experience in applied economic analysis, macroeconomic modelling and related empirical studies.

2. Sound knowledge of macroeconomic theory and proven expertise with macroeconometric models. Familiarity with the economic problems and data sources of a number of Member countries. Experience with international models would be a considerable advantage.

3. Sound knowledge and practical experience of modern statistical and applied econometric methods. Experience with the estimation, implementation and use of computer-based macroeconomic models for simulation and projection would be a considerable advantage.

4. Very good knowledge of one of the two official languages of the Organisation (English and French) and good drafting ability in that language; working knowledge of the other.
