ADMINISTRATOR (GRADE A2/A3) IN THE MANPOWER POLICIES DIVISION OF THE DIRECTORATE FOR SOCIAL AFFAIRS, MANPOWER AND EDUCATION

Closing date for applications: 7th November 1991

Duties:

• Under the supervision of a Principal Administrator, the incumbent will participate in policy research and analysis related to the Division’s principal orientations comprising labour market policies and international migration and carry out work such as:

1. The assessment of labour market policies; their effects on labour force participation, employment growth and unemployment.

2. The effects of labour market and related micro-economic policies on the functioning of labour markets in OECD Member countries. The effects of various labour market regulations and institutional arrangements on efficiency and equity.
3. The analysis of the impact of the above policies and regulations on incentives and disincentives for job search, training efforts and career development.

4. The assessment of the causes and consequences of international migration in sending and receiving countries with particular emphasis on the labour market.

Principal qualifications:

1. Advanced degree in economics or a related discipline with, preferably, a good knowledge of labour economics.

2. Experience in quantitative analysis and ability to draft policy-related reports.

3. Ability to work on a collaborative basis with professional colleagues and expert consultants, and to supervise statistical assistants.

4. Excellent knowledge of one of the official languages of the Organisation (English or French) and ability to draft well in that language; working knowledge of the other would be an advantage.
