JT00192904
REVISED VERSION OF PARAGRAPH 19, BULLET POINT 4.

19. Of the 17 responses received by the Secretariat:

- Five countries e.g. Austria, Greece, Ireland, Luxembourg, Portugal reported that their programmes were not covered by the Recommendation and, thus, no information is provided on ex ante notifications or ex post contract awards.
- Four countries e.g. Australia, Canada, Spain and Switzerland reported that no contracting activity was carried out in 2004 relating to any ex ante notifications.
- Two countries, e.g. Finland and New Zealand reported difficulties in obtaining contract awards information.
- Six Members, e.g. Belgium, France Germany, Netherlands, Sweden and the United States reported a total of 133 contracts with a total value of USD 322.3 million. In number of contracts, 85 contracts or 64% of the total number went to companies outside the donor territory, of which 58 contracts went to companies in developing countries. In volume terms, however, the lion’s share of the contracts went to companies located in the donor territory, notably those of, Germany and the United States.
