Working Party on the Information Economy

SUMMARY RECORD OF THE 23RD MEETING OF THE WORKING PARTY ON THE INFORMATION ECONOMY

Held on 5-6 December 2007

Contact: Graham Vickery: Tel +33-1 45 24 93 87; E-mail: graham.vickery@oecd.org
The detailed outcomes and time-lines for follow-up to the 23rd Session were prepared in conjunction with the Chair and circulated to Delegates by e-mail on 19 December 2007 with a follow-up on 20 December 2007. This detailed note also included revised versions of the Policy principles on Digital content [DSTI/ICCP/IE(2007)10] and Public sector information [DSTI/ICCP/IE(2007)11] prepared for the Ministerial with two informal groups of WPIE Delegates. The Programme of Work 2009-2010 [DSTI/ICCP/IE(2007)12] and WPIE Terms of reference were also circulated for consideration re priorities. The dead-lines for all comments were set for 15 January 2008.

ITEM 1: Adoption of the Agenda

ITEM 2: Approval of the summary record of the 22nd meeting

2. The Working Party approved the Summary Record of the 22nd meeting with one minor factual amendment. The Secretariat provided an overview of recent developments, in particular the preparation of the 2008 Seoul Ministerial on the Future of the Internet Economy.

ITEM 3: Preparation of the 2008 ICCP-organised Ministerial (Items 3-6): Priorities for the ICCP-organised Ministerial

Monitoring the 2004 OECD Council Recommendation on Broadband Development

4. The Working Party agreed to provide comments and agreed that this document would be revised for the ICCP Committee to subsequently forward to the OECD Council for declassification.

ITEM 4: Digital content

Draft Policy Principles for digital content. Contribution to Ministerial

5. The draft principles (previously policy "framework") for digital content were developed over the summer and early autumn in conjunction with an informal group drawn from the Working Party. They were revised on the basis of comments and discussion and the revised text distributed to the WPIE on 6 December in paper form and by e-mail (see e-mail of 19 December 2007).

6. The Working Party agreed that the draft principles would be finalised and forwarded to the ICCP Committee as “Policy principles”.

ITEM 5: Draft Policy Principles on Digital content

7. The Working Party agreed the draft principles on digital content were finalised and forwarded to the ICCP Committee as “Policy principles”.

ITEM 6: Draft Policy Principles on Public Sector Information

8. The Working Party agreed the draft principles on Public Sector Information were finalised and forwarded to the ICCP Committee as “Policy principles”.

ITEM 7: Draft Policy Principles on National and International Frameworks for Promoting and Protecting Public Sector Information

9. The Working Party agreed the draft principles on National and International Frameworks for Promoting and Protecting Public Sector Information were finalised and forwarded to the ICCP Committee as “Policy principles”.

ITEM 8: Programme of Work 2009-2010

10. The Working Party agreed the Programme of Work 2009-2010 was finalised and forwarded to the ICCP Committee for declassification.

ITEM 9: WPIE Terms of reference

11. The Working Party agreed the WPIE Terms of reference were finalised and forwarded to the ICCP Committee for declassification.

12. The Working Party agreed to submit this report for the Ministerial.
Draft policy principles for enhanced access and more effective use of public sector information. Contribution to Ministerial

7. The draft policy principles for enhanced access and more effective use of public sector information were developed over the summer and early autumn in conjunction with an informal group drawn from the Working Party. They were revised on the basis of comments and discussion and the revised text distributed to the WPIE on 6 December and by e-mail on 19 December 2007.

8. The Working Party agreed that the policy principles would be finalised and forwarded to the ICCP Committee to consider sending to the OECD Council as a “Recommendation”.

9. The Working Party noted that a technical meeting on measuring and valuing Public Sector Information would be held at OECD Headquarters on 4-5 February 2008. This was scheduled for autumn 2007 but postponed due to the ICCP Committee meeting in Ottawa.

ICCP Technology Foresight Forum: Participative Web

ITEM 5: New technology applications and impacts

RFID applications, economic impacts and country initiatives

Refer: DSTI/ICCP/IE(2007)13

11. Delegates discussed the draft report and agreed to provide the Secretariat with additional information on their past and current initiatives and on studies of economic impacts of business applications.

12. The Working Party proposed that this document be considered for declassification after revision.

Draft policy principles on RFID. Contribution to Ministerial

13. The joint WPIE/WPIISP policy principles build on work carried out in the two working parties. A first version was discussed in the WPIISP meeting in October 2007. The revised version took into account comments from WPIISP Delegates, and expanded the section on economic policies and principles.

14. The Working Party discussed the principles, and agreed they would be revised and finalised and forwarded to the ICCP Committee as “Policy principles”.

Scoping outlines

15. Three proposals for scoping studies were presented as possible contributions to the 2008 Seoul Ministerial and possible inclusion in the 2009-2010 Programme of Work.

ICTs and environmental challenges

16. A short scoping outline was presented on ICTs and environmental challenges suggesting areas that could be developed for the 2008 Seoul Ministerial, the 2009-2010 Programme of Work and as a contribution to the OECD Innovation Strategy. The Working Party noted the presentation by the Delegation of Japan.
17. The Working Party agreed to provide comments and further suggestions regarding a proposed workshop to be held in the first half of 2008, and to consider a major Conference in 2009.

**ICTs and health system challenges**

18. A short scoping outline was presented focusing on electronic health records, imaging technology and distance monitoring of the elderly and chronically ill.

19. The Working Party agreed to provide comments and suggestions for future work.

**Networked research and research-intensive business**

20. A short scoping outline was presented focusing on networked research (e-science) and networked computation-intensive business, and some of the lessons and challenges in these areas. The paper benefited from discussions at the Technology Foresight Forum on the Participative Web, session on Research 2.0.

21. The Working Party agreed to provide comments and suggestions for future work.

**ITEM 6: Wrap-up on work for the 2008 Ministerial**

22. The Working Party agreed on finalisation of WPIE preparations for the Ministerial as outlined in Items 3-5 above.

**ITEM 7: Information Technology Outlook 2008**

23. The Secretariat gave an overview of preparations for the Information Technology Outlook 2008, including timing of distribution of chapters for comment and finalisation. Chapters 1-3 and 7 were on OLIS at the time of the December WPIE meeting and comments were requested on these chapters by 15 January 2008. Comments on other chapters were requested 3 weeks from the date of posting on OLIS.

**ITEM 8: Programme of Work 2009-2010. Preliminary discussion**

25. Document DSTI/ICCP/IE(2007)12 contained preliminary proposals for the 2009-2010 Programme of Work. Delegates presented their ideas for future work, and discussed a classification that could be used to prioritise development of future work (see e-mail of 19 December 2007).

26. The Working Party agreed to provide priorities, comments and suggestions for new topics to develop the Programme of Work 2009-2010.

**ITEM 9: Other business**

27. Due to the timing of the Ministerial (17-18 June 2008), the Working Party agreed that the next meeting of the Working Party would be in December 2008, unless a meeting was necessary for Ministerial preparations. The dates of 1-2 December 2008 were proposed for the autumn meeting.
