ITEMS DEALT THROUGH WRITTEN PROCEDURE SINCE THE 86TH SESSION OF THE CERI GOVERNING BOARD, 24-25 APRIL 2012

1. Written procedure using the e-mail, OLIS and the CERI Clearspace Portal is a useful tool for:
   - Engaging in dialogue and discussions between plenary sessions of the Committee to advance work quickly;
   - Ensuring that a maximum amount of time in the plenary sessions is devoted to a discussion of the content of work rather than process issues.

2. Periodically a document is tabled a plenary session of the CERI Governing Board, listing items handled by written procedure. These items are incorporated into the subsequent Summary Record as an Annex.

3. In consequence, the Board is invited to NOTE the items below to be included as an Annex to the Summary Record of the 87th Session of the CERI Governing Board.

4. The draft document BC(2012)42 was posted on Clearspace and sent by email with a deadline for comments by 26 September 2012. The Secretariat received a particular response that required further explanation to member countries resulting in the revision of the document and issuing it with a CERI code, EDU/CERI/CD(2012)13, with a deadline for comments by the Board of 12 October 2012. As there were no formal objections to the revised document, the Secretariat prepared the document for Council approval [C(2012)137].
