Items dealt with through written procedure since the 98th session of the CERI Governing Board – 10-11 April 2018

Written procedure using e-mail, O.N.E. Members&Partners and the CERI Communities Portal is a useful tool for:

- Engaging in dialogue and discussions between plenary sessions of the Committee to advance quickly.
- Ensuring that a maximum amount of time in the plenary sessions is devoted to a discussion of the content of work rather than process issues.

Periodically a document is tabled at a plenary session of the CERI Governing Board (GB), listing items handled by written procedure. These items are incorporated into the subsequent Summary Record as an Annex.

In consequence, the Board is invited to NOTE the items below to be included as an Annex to the Summary Record of the 99th Session of the CERI Governing Board.

- For Korea: by email dated 29 June 2018 with a deadline of 9 July 2018.
