INSURANCE AND PENSIONS SPECIALIST
Grade A2/A3
Financial Affairs Division,
Directorate for Financial, Fiscal and Enterprise Affairs

EXD/HRM/VAC(2002)013

The OECD is an international organisation based in Paris with some 2000 staff. We are looking for an Insurance and Pensions Specialist to manage various activities and projects related to insurance and private pensions systems in OECD countries. This person will work under the supervision of the Head of Financial Affairs Division, within the Directorate for Financial, Fiscal and Enterprise Affairs.

The job...

1. Service the OECD Insurance Committee and its Working Parties whose mission include the promotion of an appropriate regulatory and financial infrastructure for insurance and private pensions in OECD countries.

2. Conduct appropriate research, draft analytical reports and policy recommendations and prepare publications. Work in particular on issues such as investment, insurance liberalisation, risk management, reinsurance, solvency as well as on issues related to the regulation of private pensions and development of related principles.

3. Participate in the planning of insurance and pensions work. Assist the Head of Division in the management of the related activities.

4. Contribute to workshops and other activities related to non-member countries.

5. Liaise with other OECD Directorates, national authorities, and international organisations and represent when appropriate the OECD to international meetings.

The person we are looking for should have...

1. An advanced university degree in law, finance or economics or equivalent qualification in insurance and/or pensions field.

2. At least three years’ experience in insurance and/or pensions regulation, research or practice, including related fields (e.g. asset management). Experience in an insurance or pensions regulatory or supervisory body or an international organisation would constitute an advantage.
