SECURITY AND BADGES

On arrival, you must register at the NEA Reception desk to obtain a visitor's badge. Please bring photo identification with you. It may also be requested subsequently together with the card every time OECD or NEA premises are entered from the outside. It is desirable that the delegates are aware of this requirement in order to avoid any difficulty in obtaining entry. Delegates are requested to keep their badge until the end of the meeting.

Please arrive in advance of the start of your meeting to allow sufficient time for the registration formalities. For security reasons, you are requested to wear your visitor's badge at all times.

The badge is needed to activate the elevators and doors. To open doors and operate the elevator, touch your badge to the black square box, the light will turn green when the door is unlocked. The black square boxes with a small orange light are located near the door.

Please keep the same badge during the whole course of the meeting. It should be returned on the last day upon your final exit from the building.
