

Marcelina Imelta !Gaoses

Because of her specialized technical expertise in financial regulation, Marcelina was engaged on an expatriate basis as Director – Insurance and Pensions by the Non-Bank Financial Institutions Regulatory Authority (NBFIRA) in 2009. She is responsible for licensing, supervision and ongoing regulation of Insurance Companies, Insurance Intermediaries, Retirement Funds, Medical Aid Funds and providing structured technical training to staff in insurance and retirement funds.

During her prior appointment at Namibia Financial Institutions Regulatory Authority (NAMFISA), she spearheaded the successful establishment of the organization through the development and implementation of organizational and operational structures and systems; and development of regulatory, supervisory, legal and legislative frameworks. She served as Deputy Registrar: Provident Institutions and was similarly responsible for licensing, supervision and regulation of Medical Aid Funds, Insurance Companies, Insurance Intermediaries, Retirement Funds and administration of eight (8) Parliamentary Acts.

Before joining NBFIRA she was appointed as Special Technical Advisor to the Office of the Registrar of Insurance and Retirement Funds in Swaziland.

Marcelina has over 18 years working experience in the financial services sector including banking.
